EXPERIENCE

07/2022 - 09/2022

Mumbai, India

◆ Intern- Frontend Developer

TCR INNOVATION

- Completed an internship focused on frontend development, gaining practical experience in building user interfaces and enhancing user experience. Assisted senior developers in the design, development, and maintenance of web applications, adhering to industry standards and best practices. Collaborated with cross-functional teams, including designers and backend developers, to implement and iterate on user interface designs. Utilized HTML, CSS, and JavaScript to create responsive and visually appealing web pages, ensuring compatibility across different browsers and devices. Contributed to the optimization of web pages for improved performance and loading speed.

Guide : Mr. Yuvraj Pandey

04/2023 - 09/2023

Kolkata, India

◆ Intern- Frontend Developer with ReactJS

Alien Brains

- I am working as a React.js intern, contributing to various projects and gaining valuable hands-on experience with modern web development. Collaborated with the development team to build and enhance user interfaces using React.js, HTML, and CSS.
